## School weather chart

### Planting dates

October: 20th Wales, England & Northern Ireland  
October: 27th Scotland

Bulbs & pots kindly funded by the Edina Trust [www.edinatrust.org.uk](http://www.edinatrust.org.uk)

Nov	Names	Mon	Tue	Wed	Thu	Fri
1 — 5 Week 44	Rainfall					
	Temp.					
8 — 12 Week 45	Rainfall					
	Temp.					
15 — 19 Week 46	Rainfall					
	Temp.					
22 — 26 Week 47	Rainfall					
	Temp.					
29 — 3 Dec Week 48	Rainfall					
	Temp.					

To earn your **Super Scientist Certificate** and the chance to win a school trip you must keep **weekly weather records**.

**Each afternoon:** keep & note down school weather records.

**Each Friday:** upload weekly records to <http://www.museumwales.ac.uk/spring-bulbs/>

**Each week:** view the website to compare your weather records with those from other schools!

Dec	Names	Mon	Tue	Wed	Thu	Fri
6 — 10 Week 49	Rainfall					
	Temp.					
13 — 17 Week 50	Rainfall					
	Temp.					

**Christmas holidays.** Bulbs should be kept in school over the holidays. You don't need to keep weather records during the holidays.

Jan	Names	Mon	Tue	Wed	Thu	Fri
10 — 14 Week 2	Rainfall					
	Temp.					
17 — 21 Week 3	Rainfall					
	Temp.					
24 — 28 Week 4	Rainfall					
	Temp.					

**January - April:** Visit your bulbs regularly to watch them grow. Note down the **final height and flowering date** on your flower charts and send to the website. Watch the maps and charts on the website to see where flowers open first.
