## Information relating to suppliers regarding the design and build framework for the redevelopment of the St Fagans National History Museum

*please may i request a list of appointed subcontractors and suppliers that have or are about to start work on the design and build framework for the redevelopment of the St Fagans National History Museum. The redevelopment works will include the construction of a gallery building on site, the refurbishment of the existing main public building and galleries, the fit out of new and refurbished galleries and the construction of open air archaeology structures. The Project will include: The construction of a new building, 'Gweithy', incorporating a gallery on the site of the Museum. The re-modelling, refurbishment and extension to the Museum's existing, Grade 11 Listed main entrance building. The associated works include access roads, sewer systems, infrastructure, enabling and landscaping. External works comprising hard and soft landscaping; carpark and drainage work; lighting and external furniture*
