Information relating to the subcontractors, suppliers and consultants for the St Fagans National History Museum Redevelopment Project.

I would like to receive an up to date project directory and a list of sub-contractors, suppliers and consultants of all of the companies involved in St. Fagans National Museum New/Refurbishment, St Fagans, Cardiff, South Glamorgan, CF5 6XB Scheme comprises redevelopment of the St Fagans National History Museum. The redevelopment works will include the construction of a gallery building on site, the refurbishment of the existing main public building and galleries, the fit out of new and refurbished galleries and the construction of open air archaeology structures. The Project will include: The construction of a new building, 'Gweithy', incorporating a gallery on the site of the Museum. The re-modelling, refurbishment and extension to the Museum's existing, Grade 11 Listed main entrance building. The associated works include access roads, sewer systems, infrastructure, enabling and landscaping. External works comprising hard and soft landscaping; carpark and drainage work; lighting and external furniture. The total budget for the Project is circa 21.5 million GBP (net of fees and Client Side costs). The value of the Construction elements of the Project is in the range of 16 16.5 GBP Million maximum. AC -NMW intends to appoint one contractor to undertake the construction elements of the Project described above. The Construction Works. This contract notice concerns the proposed appointment by AC-NMW of one contractor to undertake the construction in respect of the Project. i.e. it is intended that the construction work will be tendered as a single tender and a single contractor selected to undertake the works but there will be two contracts with the selected contractor as detailed below:- Contract 1 - New gallery building (Gweithdy) together with associated landscaping works. Contract 2 - Remodeling, refurbishment and extension to the public facing elements of the existing main Museum building together with associated landscaping works. During the works the open-air Museum site will remain open to the general public and Museum staff. The fit-out of the Museum exhibition spaces will be undertaken by a separate specialist contractor following the completion of the construction works.
