

What you need for this square knitting pattern

- Double Knit (DK)
- Any colours of the rainbow -mixed or one block colour
- 4.50mm knitting needles / size 7

Instructions

Cast on enough stitches to make 8" (20cm), which should be anywhere from 35 to 40 stitches. Try to make your stitches neither too loose nor too tight to help ensure uniform squares. This may vary slightly depending on your tension.

Note: Check your gauge (tension) after 3 or 4 rows. This will save you some frustration if the square is too wide or not wide enough. Adjust accordingly by starting with more or less stitches.

Row 1: knit

Row 2: knit

It's that simple! Continue knitting rows 1 and 2 until your square is as long as it is wide.

To ensure your square is 8" (20cm), either use a tape measure or form a triangle by folding one corner of your square over to meet the opposite corner as shown – if all sides are equal then you have a square!

Cast off/bind off. Leave a 20" (50cm) tail (for sewing the squares together). Sew in all other loose ends of yarn.
