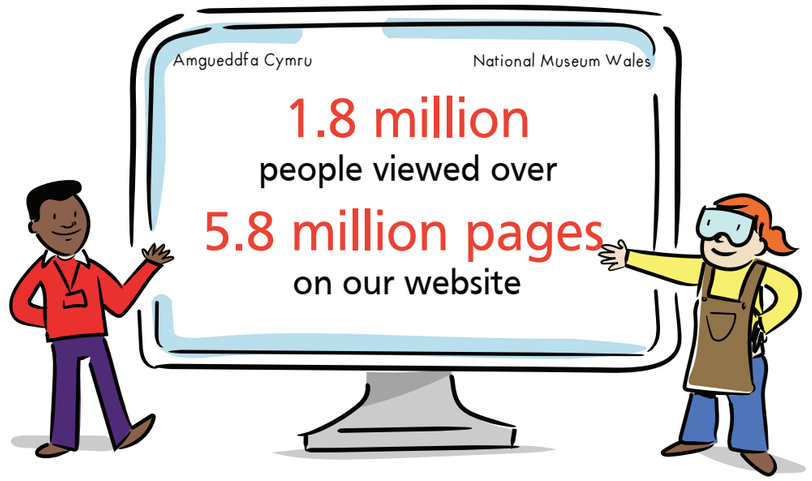
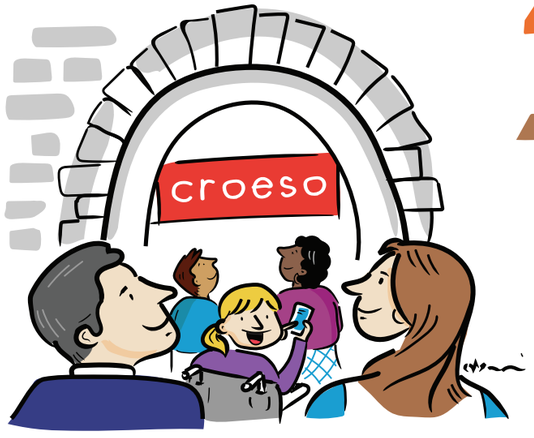
St Fagans National Museum of History was awarded **Art Fund Museum of the Year 2019**

Our annual contribution to the Welsh economy is **£83 million** of gross value added

5.2 million objects and memories from Wales's national collections of art, history and science are used to inspire future generations

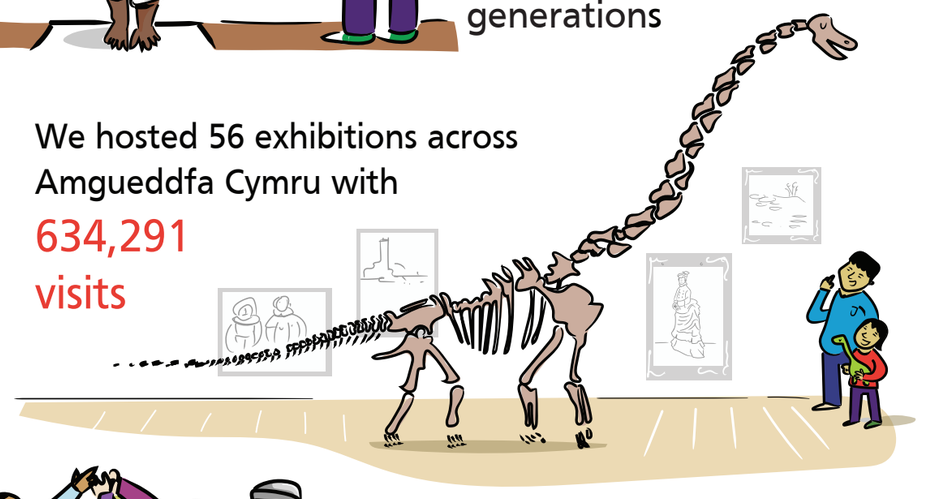


1.8 million people viewed over **5.8 million pages** on our website

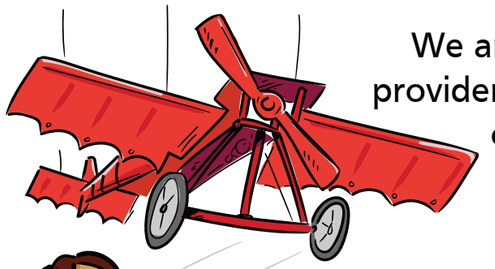


We welcomed **1.8 million visitors** to our national museums

We hosted 56 exhibitions across Amgueddfa Cymru with **634,291 visits**



We currently have over **60 pioneering research projects** ranging from natural sciences and art to history and social sciences



We are the largest provider of learning outside the classroom in Wales, reaching **182,227** schoolchildren and students

We work in partnership with over **120 charities** and community organisations

961 volunteers contributed over **30,000** hours

In the last 10 years our scientists have discovered over **350 new species** of living and extinct species from over 50 countries
