

Favourite Food

Do you have a favourite animal?

What do you think their favourite food might be?

Could you draw a picture of it using this plate?

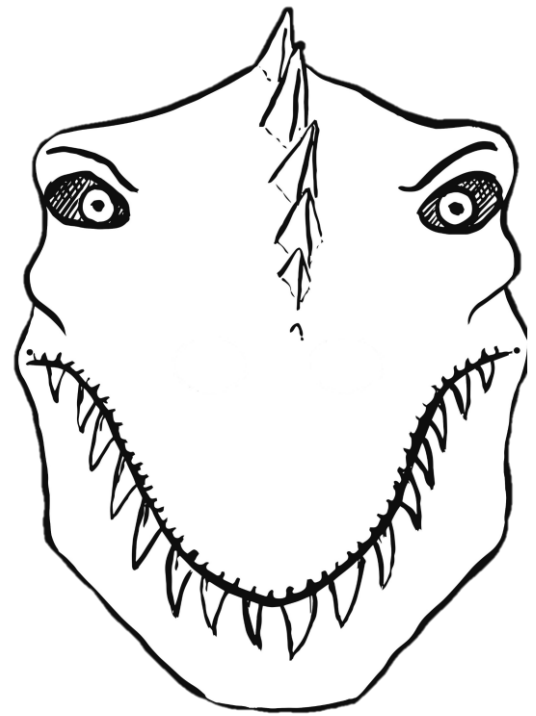

Here are some ideas to get you thinking... We'd love to see what you come up with!

What might a T-Rex eat?

Maybe a T Rex might eat Dino eggs on toast...

...or a Stegosausage...

...or even a
Diplodocus steak!

What might a woolly mammoth eat?

Maybe a nice healthy dish of ferns, leaves and tree branches!

It might have even found some funky little flowers to add to it's salad for an extra healthy meal!
