
Exhibition/Event/Production/Project Proposal

We aim to make the museum accessible for young people. Think of the museum as a 'tool box' that you can use for events, to film a music video, stage a poetry night or catwalk, and much more.

This form is to help young people aged 16–25 and the museum to work together to make new ideas happen. If you have an idea for a project with any of our 7 national sites, please use this document to get in touch and we will get back to you as soon as possible.

Please be aware that museum work is programmed well in advance, and give enough time in the planning of your project. There are many departments involved in making things happen, such as our communication department, our collections services, conservators and more.

We will work with you to connect you to relevant staff and young people and bring your vision to life, but please understand that we do not have access to unlimited resources, and that we will need to work together to develop an achievable plan.

We look forward to hearing from you!

Proposed title

Description of what you'd like to do

Links for more info (web, social media)

Proposed dates

Language of your activity

Welsh English Bilingual Other - please explain:

Proposed size of event/activity

Who are your target audience?

What will people enjoy, learn and remember about your activity? What impact will it have on people?

Do you have financial resources for your project?
If yes, what is your budget and who are your sponsors?
