

# Make a Snowflake Person

**Snowflakes are unique, just like people.  
Why not make your own unique snow person  
out of paper?**

## **You will need:**

- Paper
- Pencils
- Scissors
- Glue or Sellotape

## **Instructions:**

1. Draw two circles of different sizes on white paper, then cut them out.
2. Fold them in half twice and cut patterns into them to make snowflakes!
3. Stick them together and decorate them to make a snowflake person
