

Spoon Flowers

Create your own spring flowers out of old spoons

You will need:

- A plastic or old wooden spoon
- Card
- Colouring pencils, pens or crayons
- Scissors
- Pom poms or other decorations
- Glue

Instructions:

1. Draw a flowers shape on the card. Decorate and then make a hole in the middle.
2. Glue little pom poms or other decorations to the head of the spoon, then pop it through the centre of the flower.
