

Your Cynefin

Mind Map: Before

To show how much information your research has given you it is a good idea to fill a mind map out before you start researching and after.

At the centre of our mind map we place the name of your cynefin. Then simply make notes on what you know about the four topics that are coming from the centre.

Your Cynefin

Mind Map: After

To show how much information your research has given you it is a good idea to fill a mind map out before you start researching and after.

At the centre of our mind map we place the name of your cynefin. Then simply make notes on what you know about the four topics that are coming from the centre.
